## Company Overview

KIVARI (Pty) Ltd is a proudly South African construction company committed to delivering excellence across residential and civil engineering projects. With a strong focus on quality workmanship, safety, and timely delivery, we serve clients in both the private and public sectors with reliability and professionalism.

Our multidisciplinary team, including civil engineers, scaffolders, bricklayers, carpenters, plumbers, and electricians, ensures we execute every project to the highest standard.

We aim to uplift communities and empower individuals through job creation, setting a benchmark in construction excellence throughout South Africa.

### Our Vision

To contribute significantly to South Africa's socio-economic development by delivering high-quality construction services and empowering historically disadvantaged individuals through employment and skills development.

### Our Mission

*To provide world-class construction solutions with professionalism, innovation, and integrity.*

*We are dedicated to:*

- Building strong client relationships based on trust and transparency
- Empowering local communities through job creation and training
- Ensuring safety, sustainability, and quality in every project
- Embracing modern technology to improve efficiency and results

### Our Objectives

- Prioritize client requirements at every stage.
- Deliver projects proactively from start to finish.
- Maintain top-tier quality and safety standards.
- Deploy skilled personnel for specialized roles.
- Maintain transparent communication throughout
- Exceed expectations in both delivery and experience.

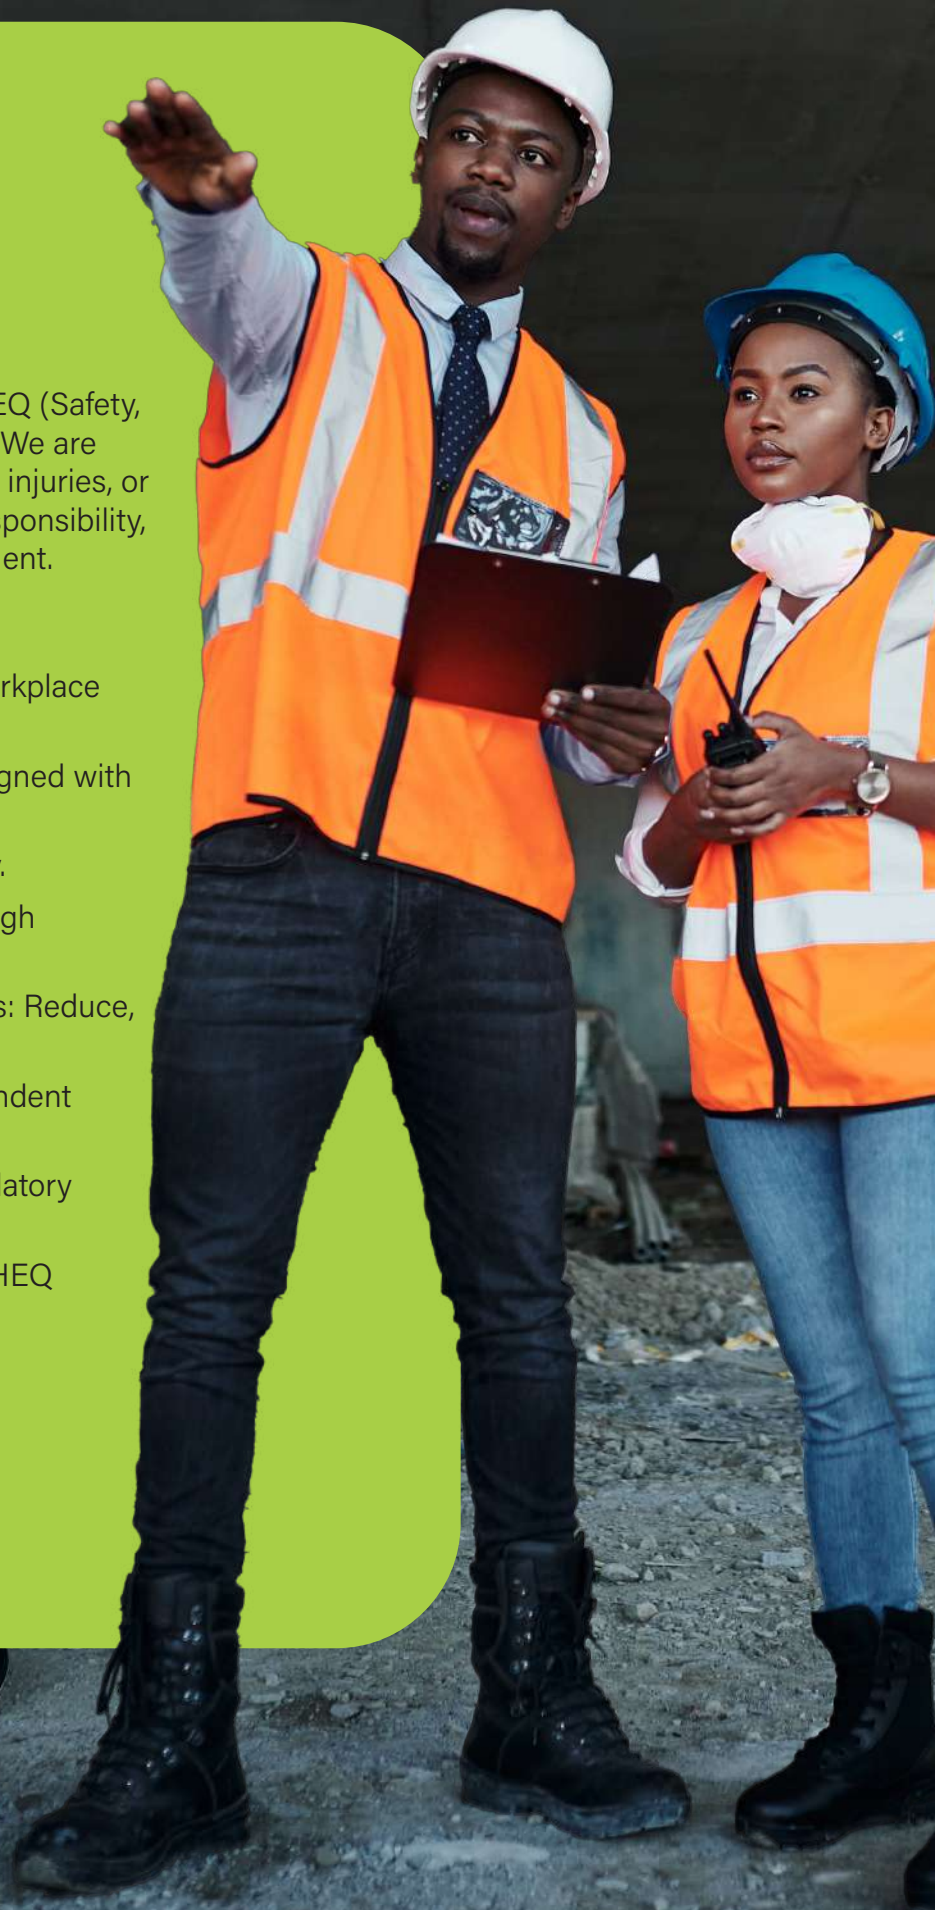

### **SHEQ Policy Statement**

KIVARI (Pty) Ltd maintains a strict SHEQ (Safety, Health, Environment & Quality) policy. We are committed to achieving zero incidents, injuries, or complaints by fostering a culture of responsibility, compliance, and continuous improvement.

#### ***Key Principles:***

- Promote employee wellbeing and workplace safety.
- Provide hazard-free environments aligned with legal standards.
- Identify and mitigate risks proactively.
- Minimize our ecological impact through sustainable practices.
- Implement waste reduction strategies: Reduce, Reuse, Recycle.
- Perform regular audits led by independent senior staff.
- Meet and exceed customer and regulatory standards.
- Strive for continuous excellence in SHEQ performance.

## Our Services

*KIVARI offers a comprehensive portfolio of construction-related services:*

### **Residential Building Construction**

Full-service residential construction, including houses, apartments, and estates, from concept to completion.

### **Civil Engineering & Infrastructure**

Execution of civil works including road construction, stormwater systems, drainage, and structural foundations.

### **Site Preparation & Earthworks**

Land clearing, levelling, excavation, trenching, and compaction to ready sites for development.

### **Renovations & Extensions**

Upgrades, modernizations, and structural expansions for homes and properties.

### **Roof Construction & Waterproofing**

Installation and repair of durable roofing systems and leak-proof waterproofing solutions.

### **Painting, Plastering & Finishes**

Interior and exterior painting, plastering, and decorative coatings delivered to premium standards.

### **Roof Maintenance and Waterproofing**

Expert roofing services including maintenance, leak repairs, and waterproofing to protect your property and extend the lifespan of your roof.

### **Scanning and Corring**

We accurately detect embedded rebar, electrical conduits, and other services, followed by detailed analysis to ensure safe and precise coring or modifications.

### **Scaffolding & Safety Systems**

Erection of compliant scaffolding and protective site systems to ensure safe project execution.

### **Project Planning & Site Supervision**

End-to-end project management, site leadership, quality control, and schedule tracking.

### **General Maintenance & Repairs**

Ongoing property maintenance, including structural, electrical, and plumbing repairs.

## Why Choose Us

### **Experienced Leadership**

Backed by years of industry experience

### **Skilled Workforce**

Engineers, artisans, and specialists under one roof

### **Turnkey Solutions**

End-to-end construction project handling

### **Client-First Culture**

Tailored solutions and personalized service

### **Safety & Compliance**

Adhering to legal, environmental, and safety standards

### **Proven Track Record**

Successful delivery on diverse projects

### **Commitment to Transformation**

Empowering communities through skills and jobs
